2024 Accomplishments

SIMPCO is a catalyst for regional cooperation, uniting local governments in the Tri-State Siouxland region. We partner with local governments in long-range planning, community development activities, and regional program management to foster intelligent growth, economic development, and safe, accessible transportation.

INFRASTRUCTURE IMPROVEMENTS

- Through SIMPCO's Transportation Improvement Program, \$426 million in federal, state, and local funds are programmed (FY 2024 – 2026) for regional transportation projects.
- \$13.6 million in transportation infrastructure projects were awarded with assistance from SIMPCO in the Siouxland area.
- SIMPCO assisted 5 Siouxland communities on water/wastewater improvement projects and assisted with securing \$556,950 in grant funds for water/wastewater projects.
- \$796,392 in transportation planning funds were awarded to SIMPCO to assist in maintaining or improving the transportation network in the Siouxland area.

DIVERSE, AFFORDABLE AND MARKET-RATE HOUSING:

- SIMPCO housing programs expended over half a million dollars in grant funds for housing rehab projects in 15 Siouxland communities.
- SIMPCO housing programs rehabilitated 23 owner-occupied homes in the past year. Including completed projects for elderly and disabled households.
- SIMPCO contracted with 11 local contractors and sub-contractors for rehabilitation projects.
- SIMPCO assisted 3 Veterans with home-repair projects.

ECONOMIC & WORKFORCE DEVELOPMENT

- SIMPCO was awarded approximately \$152,000 in assistance from U.S. EDA, Iowa Economic Development Authority and Nebraska Department of Economic Development to be used for economic development planning, research, and technical services throughout the region.
- SIMPCO assisted 2 communities with grant applications related to economic and workforce development equaling \$383,900 in awarded funds.
- SIMPCO continues to work with state and regional economic development organizations on issues related to economic development, such as broadband, business startups, infrastructure, and childcare.
- SIMPCO assisted 5 communities/organizations with grant applications, plans and projects related to economic development improvements.

QUALITY OF LIFE:

- SIMPCO assisted with 6 award winning grants equaling \$260,000 for Siouxland communities to improve community spaces.
- SIMPCO was awarded \$45,000 in funds to help initiative quality of life improvements for senior citizens and children within the Siouxland area.
- SIMPCO was awarded \$137,500 to complete a Hazard Mitigation Plan for Woodbury, Plymouth, Cherokee, Ida and Monona counties.
- SIMPCO worked with 4 communities on emergency mitigation and management grants and projects.
